## PROF. FRIEDMANN **NOT SURE WHEN HIS** TESTS WILL BEGIN

German Specialist on Tuberculosis Now Says Hundt Is Not Press Agent.

RULES FOR PATIENTS.

Announces That Applications for Treatment Must Be Made in Writing.

Dr. F. F. Friedmann, the Berlin specialist who came to this country to prove the efficacy of a vaccine treatment of his invention for the treatment of suberoutosis, was still in doubt at the Waldorf to-day as to the exact time when his tests will begin. Asked if he would receive patients on Monday at the offices he has taken at Fifth avenue and Thirty-third street, he an-

the newspapers. I want to make one thing clear. Hereafter any news about or my cases will come from me. Mr. Hundt is not my press agent He is my secretary and translator wh me in making myself understood. Prof. Friedmann, who expressed diffidence regarding his ability to speak English when he arrived here, said he could not express himself with exactness except through an interpreter, now spoke rapidly and with very little ac-

say will be in regard to the medical phenomena of the cases and not about
